## ACADEMIC COSTUME

In 1895, the Intercollegiate Commission, a group of leading American Educators met at Columbia University to draft a code which would serve to regulate the design of gowns and hoods indicating the various degrees as well as the colors to indicate the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelor's are made of black worsted materials and have long, pointed sleeves. Those worn by the master's may be made either of black silk or black wool and have long closed sleeves with the arc of a circle near the bottom. The arm goes through the slit giving the appearance of short sleeves for the master's gown. Doctor's gowns are made of black silk and are faced with velvet. The sleeves are full, round and open with three bars of velvet on each sleeve. The velvet facing of bars on the sleeve may be black or the same colors as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree. Colored velvet or velveteen binds the hoods and indicate the department of faculty to which the degree pertains.

Historical associations of color have been continued to signify the various faculties. Some of these are as follows:

Arts and Letters	White
Business	Drab
Education	Light Blue
Engineering	Orange
Medicine	Green
Music	Pink
Philosophy	Navy Blue
Science	Golden Yellow
Social Science	Citron
Theology	Red

## Distinguished Alumni Award

**William J. Hargreaves '40**

William J. Hargreaves lives by the motto that "service is the rent you pay, for the space you occupy." A 1940 graduate of Bay City Junior College (Delta's forerunner), Hargreaves becomes the second recipient of the College's Distinguished Alumni Award. David R.

Gamez, '63, Saginaw, received the award at last year's commencement ceremony.

Hargreaves is no stranger to Delta College. He served as an elected Board of Trustee for eleven years, (1977-1988), and for the past three years has served as a Board of Director for the Delta College Foundation, most recently as its chair.

"Mr. Hargreaves' positive spirit and leadership has enabled the Delta College Foundation to grow and establish itself as a nationally recognized fund raising organization. His efforts are always focused on student's needs and how the Foundation can continually encourage both faculty and students in their educational endeavors," said Karen M. MacArthur, executive director of fund development.

"Bill is one of those rare individuals who you never see in the limelight but whose impact and energy was always felt," remarked Donald J. Carlyon, president emeritus.

During his 40-year tenure with the Midland based Dow Corning Corporation, Hargreaves served in a variety of positions and retired in 1988 as executive vice president. Concerned about his community, he has served on numerous projects including former United Fund Campaign Manager, Lake Huron Council of the Boy Scouts of America Board, Presbyterian Church Elder, and as a 35-year member of Rotary International. Along with his duties as Chair of the Delta College Foundation Board of Directors, Hargreaves currently serves on the Mid Michigan Hospital Center Investment and Audit Committee as well as the Delta College Investment Committee.

After leaving Bay City Junior College, Hargreaves served for three years in the United States Navy. He then was graduated from Michigan State University and has also attended Harvard University and Case Western's Advanced Management Institutes. He is a life long member of the American Institute of Chemical Engineers.

Mr. Hargreaves and his wife, Julia Louise, reside in Midland and have two children, Michael C. and Nikolia Deborah.
